**COUNCIL COMMUNICATION:**

**TO:** Mayor Garrett and City Council Members

**FROM:** Susan Montenegro, City Administrator

**DATE:** April 3, 2023

**RE:** Council Goals

A copy of the 2021-2022 City Council goals as well as a new document for the 2023-2024 City Council goals is attached. I've included the goals from the previous administration as this was the last time goal setting was done. The goals listed can be considered a stepping point because Council can look at the goals to determine what has or has not been accomplished. Please take time to put goals on the blank sheet that you believe Council should focus on in the coming fiscal year.

Goal setting for this Council, as for any Council, must be intentional and in line with things that are important to the residents Council serves and represents. While not every goal will be addressed at this meeting tonight, good discussion can still be generated and held. A special meeting will be called for the purpose of goal setting.
