

## ALARM SUMMARY FOR MAY 2023

4	burglar alarms	(C3902)	(May 1 – May 31)
27	false alarms	(L5060)	(May 1 – May 31)

All alarms were considered false or operator error

of these alarms were un-registered

2	commercial
5	residential

Both commercial alarm holders have had previous false alarms and have been contacted regarding registering their alarm. One residential alarm has also already been contacted regarding past false alarms.

Letters will be sent to all unregistered alarms requesting they register their alarms.
