

Lathrup Village Women's Club Request for Partnership with the City of Lathrup Village

To the City Council of Lathrup Village,

We respectfully submit to you our request for a Partnership with the City of Lathrup Village. Following is information about our overall purpose and our past and planned contributions to the City. We thank you kindly for your consideration.

WHAT WE ARE

Lathrup Village Nature Group (LVNG) is a group of like-minded people to discuss and simply enjoy the natural environment and cultivated gardens of Lathrup Village. We have a Facebook platform (Lathrup Village Nature Group, formed in March 2020) with about 270 members. Our Facebook group is very active and is a warm and welcoming environment for beginning and advanced gardeners. The platform also has many experts on a variety of subjects such as native plants, insects, garden design, pruning, trees, and more, who provide helpful information to members. We are planning to implement live meetings for the whole Group in 2025 to expand beyond just a Facebook group.

We have a Planning Committee of six (6) members who meet on a regular basis to formulate ideas and activities for the group. LVNG is a progressive garden group that is very much involved in sustainability, native plants, pollinators, organic growing techniques, vegetable gardening, and the natural environment, among other interests. We sponsored and produced the recent 2023 Garden Tour and the 2024 "Rock the Village" recognition of outstanding homes and gardens, both of which highlighted the beautiful neighborhoods of Lathrup Village.

Our Mission Statement is to encourage and support appreciation of and education about nature and the gardens of Lathrup Village.

LVNG is open to all people of Lathrup Village and outside of Lathrup Village. However, we do keep it Lathrup Village-focused.
