Appendix B Comprehensive List of Recommended Goals

Goals and Objectives	Need	
Land Use		
Update land use maps as necessary to reflect growth and new development	Recommended	
We are looking into grant funding to produce a land use plan and new land use maps separate		
from our comprehensive plan. But even if we do not get funds, we really need updated land		
use maps.		
Development Guidelines Updates		
Create zoning categories for multi-family development.	Recommended	
Currently looking into this and will provide to PZ and City Council on the May meetings	Deserve and all	
Create zoning categories for mixed-use development	Recommended	
Evaluate and update City ordinance code as it pertains to development	Recommended	
Adopt Low-Impact-Development standards	Recommended	
Public and City Owned Property	P	
Add parking for Heritage Museum	Desirable	
Manage and maintain the City Park ball fields	Necessary	
This was completed last year, to include hiring a Park Person to assist.		
Utilize or sell vacant property	Recommended	
Acquire land for future City offices and facilities	Necessary	
Parks and Recreation		
Develop a new park at the end of Forrest Road	Desirable	
City Council has no desire to complete at this time, due to increased traffic in residential area.		
However, we still have citizen interest in this.		
Develop a new park along U.S. Highway 87	Desirable	
Staff is in preliminary discussions about this project.		
Continue development of nature park / trail	Desirable	
City Council has no desire to complete at this time.		
Infrastructure		
Adopt a Master Thoroughfare Plan	Necessary	
This needs to be redone, outdated never approved and don't work with engineer anymore.	N1	
Implement bike lanes and sidewalks into typical sections	Necessary	
Develop Safe Routes to School 2021	Mandatory	
We did not pursue this effort, but the sidewalk project mentioned below creates access to all of the public school systems.		
Construct sidewalks around City Park	Desirable	
·	Desirable	
City received a grant from TxDot for sidewalk project, due to start Spring 2024.		
Develop Storm Drainage Facilities	Necessary	
Update stormwater design criteria to include Atlas 14 data	Necessary	
Seek opportunities to develop regional detention ponds.	Recommended	
Some of these have been addressed in new Drainage Plan		
Incorporate Low Impact Development standards for new developments	Desirable	
Ensure adequate funding for water and wastewater infrastructure projects	Necessary	
Housing		
Promote the development of a senior retirement village or living facility in the city.	Necessary	
There has been some discussion with developers on this but nothing that has come to fruition.		
Continue code enforcement to ensure homes provide adequate shelter	Mandatory	
Community Development		
Create an Animal Control Facility with trained staff.	Necessary	
City Council approved an agreement with the Wilson County No Kill Shelter.		
Establish a community library.	Necessary	

Wilson County has opened a branch in La Vernia, Jane Yelvington McCallum Public Library	
Establish a farmer's market.	Recommended
La Vernia works with Wayne Robins that puts on Market Days in the City Park monthly. It's	
not solely a farmers' market but he does have some farmer vendors.	
Encourage residential property maintenance.	Desirable
New Code Enforcement employee has been working on doing this more consistent.	
Expand access to higher education / workforce training	Desirable
On our radar for this upcoming year.
