

Resolution No. 021226-07

A RESOLUTION OF THE CITY OF LA VERNIA PARTICIPATING IN THE GUADALUPE COUNTY MASTER DRAINAGE PLAN UNDER THE TEXAS WATER DEVELOPMENT BOARD FLOOD INFRASTRUCTURE FUND (FIF), FLOOD MANAGEMENT EVALUATION (FME) PROGRAM

WHEREAS, Guadalupe County is preparing an application to the Texas Water Development Board (TWDB) under the Flood Infrastructure Fund (FIF), Flood Management Evaluation (FME) category, for the development of a Countywide Master Drainage Plan; and

WHEREAS, TWDB rules (31 TAC §361.10) and the State Fiscal Year 2024–2025 FIF Intended Use Plan require applicants to coordinate with all eligible political subdivisions within the watershed area and allow those entities the opportunity to participate in the planning process; and

WHEREAS, the city of La Vernia recognizes that a coordinated, countywide drainage and flood mitigation plan is essential for protecting public safety, reducing flood risk, improving infrastructure resilience, and supporting long-term community planning; and

WHEREAS, participation in this planning effort does not obligate the City of La Vernia to provide funding, but ensures that its drainage concerns, data, and priorities are incorporated into the County-led evaluation.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LA VERNIA THAT:

1. The city of La Vernia hereby expresses its support for, and formal participation in, the Guadalupe County Master Drainage Plan to be funded through the TWDB FIF–FME program.
2. The Mayor is authorized to coordinate with Guadalupe County and its consultants, provide relevant drainage data, and participate in meetings associated with the development of the Master Drainage Plan.
3. A copy of this resolution shall be provided to Guadalupe County for inclusion in its official project file and TWDB-required documentation.

PASSED AND APPROVED this 12th day of February 2026.
