5.     **Dual Certification.** In accordance with Texas Water Code § 13.248, the Parties agree to dually certificate the CCN Dually Certified Area by filing this Agreement and the requisite petition with the PUC in accordance with Section 6 of this Agreement. SSWSC hereby consents to the City's provision of retail public water service within the CCN Dually Certified Area as contemplated by Section 7 of this Agreement. - b. The City shall be solely responsible for all costs associated with preparing, filing and prosecuting the CCN Amendment Application with the PUC, including any

requisite maps, pleading, or other documents required to obtain PUC approval, provided however that SSWSC shall coordinate with the City to ensure any requisite consents, records, and other materials within the control and/or possession of SSWSC are provided to the PUC when so requested by the City or the PUC.

- c. In the event the PUC denies or otherwise holds approval of the CCN Amendment Application, or requires additional evidence, documentation, maps, consents or other actions from the Parties, the Parties shall promptly and jointly prepare and submit such cures or additional applications to obtain PUC approval.
