BFR2026-0002

Approval of the requested Buffer Reduction, subject to the following enumerated conditions:

1. To restrict the Buffer Reduction as follows:

- A. Allows a fifty percent (50%) reduction of the minimum buffer requirements between dissimilar zoning classifications (BG and RS-150), from seventy-five (75) feet to thirty-seven and one-half (37.5) feet along the subject property's northern property line.
- B. The buffer reduction shall apply only to the development of a multitenant shared kitchen facility, including associated parking, driveways, dumpsters, and stormwater facilities, as shown on the site plan. received by the Planning and Development Department on February 27, 2026.

2. To satisfy the following site development considerations:

- A. All site improvements, including parking, drive aisles, curb cuts, and internal circulation, shall comply with the City of Lawrenceville Development Regulations unless otherwise approved through separate variance or permit action.
- B. Prior to issuance of a Land Disturbance Permit (LDP), final site plans shall be reviewed and approved by the Planning Director, City Engineer, and all applicable departments.
- C. In areas where required buffers lack sufficient vegetation to achieve effective screening, the applicant shall provide supplemental planting and landscape enhancements. A detailed replanting and landscape enhancement plan shall be prepared by a qualified professional and submitted for review and approval by the Director of Planning and Development prior to the issuance of any applicable permits. The plan shall demonstrate how the buffer will be brought into compliance with applicable screening and landscaping standards, including plant species, sizes, spacing, and maintenance provisions.
- D. All outdoor service areas, including dumpsters and loading areas, shall be screened from view of adjacent residential properties.

- E.** Site lighting shall be directed away from adjacent residential properties and shall comply with City lighting standards to prevent light spillover.
- F.** Any off-site access, grading, or construction activity, if required, shall be subject to executed agreements or easements made by adjacent property owners and approval by the City.
- G.** All required landscaping and screening shall be installed prior to final inspection and issuance of a Certificate of Occupancy and shall be maintained in a healthy condition for the life of the development.
- H.** All applicable local, state, and federal permits and approvals shall be obtained prior to commencement of construction activities.
