

Knowledge to Shape Your Future

January 27th, 2021

City of Lawrenceville, GA
Attn: Keith Davis
18 South Clayton St.
Lawrenceville, GA 30045

To Whom It May Concern,

This letter is to inform you that Anixter Power Solutions is the only Electricity Distributor for Itron in Georgia. Anixter is also authorized to sell Itron Gas ERTs. No other Itron Distributors located in Georgia are authorized to sell or quote Itron gas ert products.

From a product perspective, Itron is the only provider of mobile and hand held meter reading equipment which can read SCM+ messages and download interval data from compatible Itron endpoints such as 100G devices with Datalogging.

Please feel free to contact myself if you have any questions or require further information.
Sincerely,

A handwritten signature in blue ink that reads "Rusty Agi". The signature is fluid and cursive, with the first name "Rusty" and last name "Agi" clearly distinguishable.

Rusty Agi
Area Manager
