**Summary:** Axon VR immerses trainees in scenarios before facing them in the field, eliciting similar stress responses and fostering the development of stronger muscle memory.

**Background:** Axon VR Training empowers officers to respond more confidently in the field. Empower officers with the skills to navigate complex real-world scenarios through immersive content and state-of-the-art technology, enabling them to train anytime, anywhere. Develop skills, empathy and de-escalation tactics and gain confidence in responding to calls with community members, victims in crisis, and individuals experiencing a mental health episode. Hone TASER energy weapon skills, including target assessment, speed, accuracy and confidence under stress. Improve critical decision-making skills, confidence, and accuracy under stress. Build muscle memory and train to proficiency without the need for extensive training time and live cartridge consumption.

**Fiscal Impact:** \$106,162.50 to be funded from 2853210-531755 Speed Zone.
