- **SILVER** Lot

Wayfinding Signage

- Update current signage.
- Add new, identically designed signs throughout Downtown.

Wayfinding Project:

The Goal:

Ensure residents and visitors understand how easy it is to find parking in Downtown Lawrenceville.

The Strategy:

Use both our **existing** advertising platforms and **explore new ones** to consistently promote clear and memorable **campaign messaging** in all marketing efforts.

Wayfinding Parking Journey

Potential Social Media Post

Tile A

Tile B

1

Social Media

Engage residents and visitors through existing social media, featuring:

- Disability parking options
- Easy-to-read maps
- POV videos and walkthroughs
- Trivia and FAQs

Frequency

2 posts/month, often strategically coordinated with event-related content.

Potential Content

- Timelapse video
- Walking from lots to key DTL destinations

Infographics

Easy-to-read maps

Parking Trivia

2

Alerts & Notifications

Utilize **City Alert/Notification System** and **Newsletter** to promote new parking campaign. Integrate EZ-2-Park sections with QR codes and direct links to **DTL Parking Landing Page** and **Parking Information**.

Frequency

As needed (events, construction, weather updates)

Audience

Businesses, visitors, citizens

Potential Headlines & Content

- "Park Worry-Free in the DTL"
- "Lots of Parking (and we mean LOTS)"
- "Parking Problems? Not in the DTL"

1

A Reason to Visit Downtown Lawrenceville

The Situation

Sarah, a Lawrenceville resident, rarely drives downtown because she is convinced parking is difficult.

Activation Interception

She sees a post on the DTL Instagram about an upcoming event. The hashtag catches her eye: #EZ2Park

Channels

Social Media: Facebook & Instagram

2

Awareness Through Alerts

The Situation

Near the event date, Sarah receives a newsletter with event and parking information

Activation Interception

The newsletter blurb emphasizes available “FREE parking in Downtown Lawrenceville” with a button to “Learn More.” Curious, Sarah clicks it.

Channels

City Newsletter and Alerts

3

Discovery of Parking Options

The Situation

After clicking the link, Sarah is taken to the “EZ-2-PARK” Landing Page. She explores it to learn more about DTL parking.

Activation Interception

Sarah is impressed with the interactive map and discovers multiple parking options – complete with directions.

Channels

EZ-2-PARK Landing Page

4

The Parking Moment of Truth

The Situation

On event day, Sarah drives into town – with an address in mind. She is hopeful to find parking.

Activation Interception

While at a red light in town, Sarah notices a Digital Kiosk with a friendly message: “Welcome to Downtown Lawrenceville. FREE parking spot around the corner!” She finds the lot and pulls her car right in.

Channels

Digital Kiosks & Lot Signage

3.1

Parking Landing Page

The branded DTL EZ-2-Park Landing Page is a **one-stop shop for parking** in the DTL. From **lot locations to general parking tips**, this hub of information will help visitors, businesses, and citizens navigate DTL parking with no hassle.

QR Codes and other links on Messaging Collateral will direct to this page.

Features

- Interactive parking map with lot addresses
- Tips for parking & navigation to The DTL
- Nearby parking suggestions added to business listings on the DTL site.

3.2

DTL Website Updates

- The Parking Page will be updated on the **DTL Site** to create the **Parking Landing Page**.
- The City main website menu will link to the DTL Parking Landing Page.

5

On-Site Reinforcement

The Situation

During the event, Sarah grabs a coffee at a downtown business. She notices an air freshener promoting EZ-2-PARK on the counter. She also receives a promotional give-away at the event, branded with #EZ2Park.

Activation Interception

The air freshener promotes the EZ-2-PARK campaign with a scannable QR code for future use. The event giveaway promotes the parking campaign with similar branding.

Channels

Business Leave-Behinds
Branded Event Give-aways

6

A Lasting Impression

The Situation

Sarah now trusts DTL parking. When someone mentions avoiding downtown due to parking issues, she is quick to chime in with her experience. She may become a supporter on social media.

Activation Interception

Sarah occasionally passes by a billboard on her commute featuring the EZ-2-PARK message and recalls her seamless parking experience fondly.

Channels

Billboard & Lot Signage

Digital Kiosk Mockup

Digital Kiosks

Digital kiosks will be updated with graphics and messaging, which can be repurposed as social media content. The kiosks allow for on-site engagement with visitors.

Audience

Foot traffic in Downtown Lawrenceville

Potential Headlines & Content

- “Did you know The DTL has Over 1,200 Parking Spots?”
- “Find Your SPOT in Lawrenceville”
- “There’s a SPACE for you in The DTL!”

Physical Card Mockups

Front

Back

Business Leave Behinds

Leave behinds and decals create physical reminders of parking options in The DTL. They can be placed **inside DTL businesses**, in **City Hall**, and in **designated lots**, where appropriate.

The intent is for visitors to hold onto these items to reference for easy parking in the future.

Branding present in lots to guide visitors when lots are full.

Tactics

- Parking Cards with QR Codes linking to the Landing Page
- Branded Air Fresheners
- Event/Marketing Booth Handouts
- Branded Window Clings
- Rack Cards

Billboard Mockup

6

Billboard / Out-of-Home

A strategically placed billboard increases visibility and awareness of **FREE** parking in The DTL, attracting inbound traffic. Banners in parking lots with QR codes direct visitors to more info on the Landing Page, while branded sandwich boards enhance engagement at events.

Audience

Foot Traffic in Downtown Lawrenceville

Potential Headlines & Content

“Park, Explore, Enjoy”

“Find Your SPOT in Lawrenceville”

“Free Parking for Full Access”
