Session Four – Dollars & Decisions

- Municipal revenue sources
- Budget development process
- Capital planning
- Financial sustainability
- Interactive "Build-a-Budget" exercise allowing participants to balance competing priorities.

Session Five – Civic Leadership

- Boards and commissions

LAWRENCEVILLE

GEORGIA

- Volunteer opportunities
- Neighborhood leadership
- Public engagement
- Community Action Idea presentations
- Graduation ceremony

Staff anticipates the program will create a pipeline of informed residents who better understand municipal operations and are prepared for future civic leadership opportunities while expanding public engagement beyond traditional financial review activities.
