Action Requested:	Reject Bids received for SB029-25 S.R. 316 at Hi Hope Rd

Summary: The City issued Invitation to Bid SB029-25 for the SR 316 at Hi Hope Road DOT Project. The scope of work included pipeline installation, open trenching, bore work, tie-ins, service replacements, and related construction activities. One bid was received from W.L. Griffin Company, LLC of Gillsville, Georgia. Their total bid was \$1,267,470.00

After review, staff recommends rejecting the bid. Receiving only one response does not provide sufficient competition to ensure pricing fairness or the best value to the City. Staff believes re-evaluating the project and re-advertising will better serve the City's interests by potentially broadening vendor participation.

Accordingly, staff requests that Mayor and Council formally reject all bids received for SB029-25 and authorize staff to re-advertise the project at a future date.

Fiscal Impact: N/A
