Dear Sir or Madam:

Re:

Outdoor Advertising Conforming Permit

Enclosed please find a copy of the following conforming permit issued to Lamar Outdoor Advertising - Atlanta, as well as the identification tag which must be attached to the first sign support of each sign structure so as to be visible from the roadway (Department of Transportation Rulès and Regulations §672-6-.05):

Permit Number	Working Number	Location	Milepost	S.R.	County	Side of Roadway
D3840	740242	3805ft. EAST	14	002000	Gwinnett	North

The above referenced sign must be erected at the exact location for which they are permitted. It is the responsibility of the sign owner to ensure the correct placement of the outdoor advertising sign and structure and to relocate it at his/her expense in the event of an error.

These permits shall be valid for one (1) year from the effective date of February 20, 2012. The permit is issued for and "shall be valid only if the signs are erected and maintained in accordance with this part during the twelve (12) month period" following the effective date of the permit (O.C.G.A. §32-6-74). The renewal period for this permit is January 1 to April 1 of each year.

A renewal notice will be mailed to the sign owner each December following the year of issuance. If the renewal fee is not received by April 1 of each year, the Department will notify the sign owner that the renewal fee is overdue and give the sign owner forty-five (45) days to submit the appropriate fee. If the sign owner does not send the permit renewal fee within forty-five (45) days after the postmark of such notice, the permit shall expire and the sign shall then become an illegal sign.

Please send electronic photographs of the outdoor advertising sign and identification tag location within ten (10) days of the sign erection.

If you have any questions or concerns, please contact our office at (404) 631-1392.

Re:

Outdoor Advertising Conforming Permit

Location:

Gwinnett County

Dear Mr. Adrien:

This letter is in response to your request to revise an outdoor advertising sign being maintained under DOT permit number D3840 in Gwinnett County, the City of Lawrenceville for a multi-message display(s) described as:

Permit Number	Working Number	Location	Milepost	S.R.	County	Side of Roadway
D3840	740242	3805ft. East	14	002000	Gwinnett	North

Enclosed, please find your approved application for revision. The approved revision will be valid for twelve (12) months from the effective date of February 21, 2012. This revision is subject to and made conditional upon the granting of any required local building permits or compliance with more restrictive local zoning, ordinance, or regulations, if any, at time said revisions are in fact made.

All revisions must be completed prior to the expiration date. In the event the revisions are not completed within the time allotted, the permit will revert back to the original sign configuration prior to the approved revision.

Further, all revisions must be completed prior to the anniversary/expiration date of the original permit should there not be an existing sign structure at the location. The revision of the above referenced permit is not an extension of the 12-month time allotted to erect a sign under the original permit.

Should you have any questions concerning this matter, contact Pam Hooks, Outdoor Advertising Office Manager at (404) 631-1392.
