

STRUXURE™

Contract | Feb 23rd, 2026

Greetings:

StuXure Outdoor Georgia is pleased to present you with the enclosed high-level budget contract.

StuXure is the leading innovator and manufacturer of luxury louvered roof pergola systems. Our project team of dedicated construction specialists is the most experienced design and project management organization in the industry. Our project managers remain with a project from beginning to end, including being available for all calls and meetings throughout the project. A level of service that is unmatched in this industry.

We are committed to superb customer service and on-time, on-budget completion of a pergola system that meets your design specifications and exceeds your expectations.

Thank you for this opportunity and we look forward to a successful collaboration.

Sincerely,

KIRK HALL | GEORGIA DEALER
OFFICE: (770) 765-1900

Aesthetics

StruXure pre-engineered elements are designed to accomplish your specific project specifications, both aesthetically and functionally. Custom is StruXure's standard.

Bring The Indoors Out

StruXure truly wants to change the way people live, by bringing the indoors out through innovative design that challenges the status quo. Life is better under a StruXure.

Cost Effective | Rapid Construction

Compared to traditional construction alternatives, nothing comes close to the flexibility, functionality, and quality of a StruXure. Installation is much more efficient and takes less time than traditional construction.

Sustainable

StruXure is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its drive system and designs, StruXure is committed to operating as a more sustainable business and reducing its overall environmental impact.

StruXure Dealer Network Team

National and Global partnership of experienced dealers and construction managers who bring solutions and value to each project.

Design Revisions & Changes

This proposal assumes *three* design revisions. Additional and ongoing changes to the scope of work are subject to additional design fees.

Changes by the client or its representative to the scope, specification or schedule after product has been ordered may result in an increase in price and/or may affect the time of completion.

Shop Drawings

Signed and approved shop drawings by client and/or client representative are required for order placement.

Labor

Labor is non-union. StruXure system must be installed by factory trained StruXure installers, or the StruXure Warranty will be void. Normal Business Hours (NBH) are typically 7am – 5pm with After Hours (AH) 6pm – 6am. Cost for overtime, holiday time, or modification of any product are not included.

Delivery & Storing Materials

All product delivered will be direct to site for a continuous installation. Any special phasing request will change freight and installation costs. Delivery does not include additional time for holiday time, or modification of product.

StruXure Outdoor Georgia will inventory customer materials for 45 days upon completion of fabrication and customer notification of delivery of said materials to our warehouse. After 45 days and with prior notification, storage fees may be charged to customer unless otherwise arranged or specified in this contract.

You the buyer may cancel this transaction by emailing, calling or faxing a copy withing 3 days of this transaction date : __/__/____. This contract becomes binding if not canceled, the buyer understands and agrees that if this contract is canceled after the third business day, they shall be responsible for any costs incurred and "loss of profit" equal to 25% of this agreement. **NOTE:** This contract may be withdrawn by us if not accepted within 14 days.

ACCEPTANCE OF CONTRACT

The quoted price, specifications and conditions are satisfactory and are herby accepted. You are authorized to do the work as specified. Payment will be outlined on the previous page.

GRAND TOTAL = \$227,100.00

***TOTAL PRICE IS CONTINGENT ON THE TERMS AND CONDITIONS OF THIS CONTRACT. ANY CHANGES TO TERMS AND CONDITIONS OF THIS CONTRACT CAN/WILL CAUSE A CHANGE IN PRICE. PRICE EXPIRES 4/15/26**

Customer Signature: _____ DATE:

Local Codes, Regulation & Permits

StruXure will comply with all local laws, codes and regulations applicable to products and services provided under this proposal. StruXure will provide complete product installation documentation, and all necessary detailed drawings including "typical" structural engineered calculations required for permits. This does not include "project specific" structural engineered calculations and drawings should they be required by governmental authorities having jurisdiction over the StruXure portion of the project. In these instances, additional charges may apply.

Clean Up

Disposal or recycling of all packaging included. Site to be left in broom clean condition. Includes one-time cleaning of louvered roof.

StruXure Project Management Support

Onsite project management by factory certified project manager.

Payment Terms

20% deposit to initiate engineered stamped drawings

30% due upon approval to move into fabrication.

40% is due upon fabrication and delivery of materials and 10% Balance of the cost will be invoiced upon completed installation. Construction will begin upon receipt of the 40% payment.

Additional 10% to the final balance if any retainage.

Any final punch list items must be submitted, approved and completed no more than five days after install completion. System will be fully warranted after final payment.

Termination

Due to the custom nature of the StruXure solution, once an order acknowledgement has been received from StruXure, no cancellation of material order will be accepted.

Warranty

Products carry the warranty specified for that category.

15 YEARS - STRUCTURAL COMPONENTS

5 YEARS – ELECTRICAL COMPONENTS & DRIVE MOTOR

StruXure Outdoor, Inc. extends a transferable limited warranty to the structural components and moveable accessories of its products.

StruXure warrants their products for the lifetime of each product against manufacturer's defects in materials.
