MEMORANDUM

Police Department

To: City Council Date: October 22, 2026

From: Chief Frank Stevenson

Subject: October Monthly Report

- For the partial month of October 2026, the Patrol Division had approximately 1,046 calls for service, made 37 arrests, conducted 258 traffic stops, issued 66 citations, and wrote 42 case reports.
- The Detectives Division remains busy, and staff members continue to process complex cases. This past month, detectives were assigned three (3) new cases and made two (2) arrests. Detectives reviewed a total of thirty-five (35) Department of Human Services (DHS) referrals for possible child abuse. The division actively assisted Patrol units during operational downtime.
- We are excited to share a major update regarding our team's operational capabilities. We have officially picked up our newest service canine from the breeder, and K9 Zeek is now attending his specialized training program along with his handler.
- Community Services staff members Albanese and Johnson, together with Patrol team members, have continued to conduct extra patrols throughout our parks system. Their efforts aim to reduce unwanted activities, such as ordinance violations and trespassing, while also providing community outreach. Collectively, they responded to 163 calls for service, which included animal-related incidents, city park patrols, private-business trespasses, abandoned or suspicious vehicles, and parking complaints.
- Two Peer Court sessions were held this month for minors following referrals from the Lebanon Municipal Court (one for using a cell phone while driving and the other was for failure to obey a stop sign).
- Our Community Services staff held a Traffic Safety class for 11 individuals addressing driving offenses (10 cell phone violations and one seatbelt violation), with four non-compliant cases returned to the courts.
- The team successfully secured a $4,000 grant for December’s upcoming Shop-With-A-Cop event. The program has seen 39 applications submitted so far.
- There were no pursuits, Narcan deployments or uses of force to report this month.

Please do not hesitate to ask if you have any questions about this summarization.
