

BLT Bench Policy - adopted 02-10-2026

From time-to-time BLT is able to provide the opportunity for community members to sponsor a resting bench on one of Lebanon's trails. While the benches are intended for the use and enjoyment of the public, sponsors are invited to recognize an individual, group or business on the plaque that is included with their sponsorship. Although the occasional placement of a remembrance such as flowers on or near a bench on a special occasion (such as a birthday or Memorial Day) is welcome, we request that the item(s) remain in place for no longer than 10 days. Please feel free to contact us through the BLT website (buildlebanontrails.com) if you have questions.

Bench sponsorships are not intended for the purpose of advertising, attracting viewers to websites or creating business opportunities. To that end, web addresses, phone numbers, personal photographs, QR codes, street addresses, etc. are not allowed.
