## *Senior Services & LINX Transit*

Date: March 1, 2026

To: Mayor Jackola and City Council

From: Kindra Oliver, Senior Center & LINX Transit Director

Subject: Monthly LINX Transit & Senior Center Report

LINX Transit:

As of the end of February, LINX Transit has provided over 55,000 rides, on track to providing over 80,000 rides for the fiscal year.

Senior Center:

Love has been in the air at the Senior Center this month. Our Valentine's themed Bingo and classic film brought seniors together to bond over a love of chocolate, memories, and an opportunity to be social.

A love of veterans started a new group at the Senior Center that will gather once a month. Our Veteran's Chat is an opportunity for veterans (or a family member) to share their stories, enjoy some comradery from others and connect in our cozy library area. One of our regular attendees shared his story, as well as his Dad's story, to a full house of other veterans and supporters.

Lifelong learning is a love that many seniors enjoy. To fuel that desire we are engaging seniors with weekly "How It's Made" sessions. Staff use videos accessible through the internet to curate a collection of topics that seniors request or may be interested in. After seniors learn about the process and history, they talk about things that caught their interest or share a memory that the information stirred.
