EXHIBIT C GMP AMENDMENT

CITY OF LEBANON, OREGON CHEADLE LAKE PARK IMPROVEMENTS

THIS AMENDMENT IS BETWEEN:

OWNER: City of Lebanon, Oregon

and

CONSTRUCTION MANAGER/
GENERAL CONTRACTOR ("Contractor"): Knife River Corporation - Northwest

PROJECT: City of Lebanon, Oregon, Cheadle Lake Park Improvements

DATE OF ORIGINAL CONTRACT: August 14, 2025

DATE OF THIS AMENDMENT: October 8, 2025

AMENDMENT NUMBER: 1

The Owner and Contractor hereby amend the Contract as set forth below. Capitalized terms used but not defined herein shall have the meanings given in the Contract Documents. Except as amended hereby, the Contract remains in full force and effect.

1. GMP No. 1. The parties agree that the first GMP for the Project is \$1,212,325.44 consisting of the Estimated Cost of the Work including the fixed General Condition costs of \$62,357.00 , and the CM/GC Fee, as follows:

Preconstruction Fee (included in	\$ 0.00
original contract):	
Estimated Cost of Work (Est. COW):	\$ 1,066,606.60
CM/GC Fee (<u>7.816</u> % of COW):	\$ 83,361.84
GMP (total of above categories):	\$ 1,212,325.24

For purposes of determining the first GMP, the Estimated Cost of the Work includes Contractor's Contingency, the Fixed Cost for GC Work, and the costs of all components and systems required for a complete, fully functional facility.

- **2. Basis of GMP No. 1.** The GMP is based on the GMP Supporting Documents attached as Attachments A-F (______pages) including the Allowances, assumptions, exclusions, unit prices, and alternates designated therein.
- **3.** Plans and Specifications. The Plans and Specifications for the Project are as listed in the GMP Supporting Documents. Contractor shall perform Construction Phase Services in accordance with the Plans and Specifications and the other Contract Documents.
- **4. Substantial Completion Date.** Notwithstanding any provision in the GMP Supporting Documents to the contrary, the required date for Substantial Completion is: 11/2/2026 [insert either date or business days] @

(approx. 1 year from anticipated start date)

THIS AMENDMENT is executed in two original copies of which one is to be delivered to Contractor, and the remainder to Owner.

Cheadle Lake Park
Subcontractor Selection Justification
Scope: Concrete- Flatwork, Curb & Gutter

To Whom it May Concern-

After evaluating bids for the concrete portion of this project, we selected **Delta** over **Standard Commercial**, despite Delta's bid being 7.42% higher. This decision was made with careful consideration of project needs, risk management, and long-term value.

1. Proven Track Record and Reliability

Our team has extensive experience working with Delta on past projects. They have consistently demonstrated high-quality workmanship, clear communication, and dependable scheduling. This familiarity significantly reduces the risk of delays or miscommunication during execution of the project.

2. Scope Confidence and Equipment Capability

The scope of this project includes a significant amount of curb, gutter, and flatwork. Based on our review, we are uncertain whether Standard Commercial is fully equipped to handle the full extent of the curb work required. Delta, on the other hand, has the necessary equipment and demonstrated capability to perform all aspects of the concrete scope without the need for additional equipment rentals.

3. Risk Mitigation and Project Efficiency

Choosing a subcontractor with whom we have a strong working relationship and who is fully equipped for the job reduces the risk of delays, scope gaps, and coordination issues. This decision supports the overall efficiency and success of the project.

In summary, the decision to award the concrete work to Delta reflects a strategic choice to prioritize reliability, scope alignment, and long-term value over short-term cost savings.
