Are you applying for reappointment: Yes No If so, how long did you serve in this capacity: ____ Year(s) ____ Month(s)

Describe experience **related** to position applying for:
 From February to November 2024, I stepped in as interim manager, working closely with our Director to create the 2025 budget for Enterprise Resilience. Additionally, I volunteered as the Budget Chairman for the Region 2 Healthcare Coalition. My experience in Emergency Management has equipped me with strategic planning skills, which are invaluable for this committee. On a personal note, I also manage our retirement accounts to ensure we stay aligned with our retirement goals.

List current and/or previous involvement on any government boards/committees/commissions/councils:
 While I have not served on government boards, councils, or committees, I bring valuable experience from my roles in other capacities that are highly relevant. For instance, as the interim manager from February to November 2024, I collaborated with our Director to develop the 2025 budget for Enterprise Resilience. Additionally, I served as the volunteer Budget Chairman for the Region 2 Healthcare Coalition where I oversaw financial planning and I was responsible for the entire grant funding process and I have strengthened my skills in strategic planning. These experiences have equipped me with strong financial oversight skills, strategic planning capabilities, and a collaborative spirit, all of which I believe would be beneficial in a government board or committee role.

Explain why you are interested in serving in this capacity (attach additional sheet if needed):
 I am eager to join the city budget committee because I want to contribute my financial expertise to support the community's fiscal health. With my experience in budget planning and financial oversight, I believe I can help ensure responsible allocation of resources and foster transparency. Serving on the committee would also allow me to collaborate with fellow community members and play a role in the city's strategic planning and financial success.
