Senior Network Engineer Nico Bressler

DISCUSSION ITEMS: CITY SERVICES FEE

1. Learn about the proposed City Services Fee and participate in a Question and Answer session with the City Council.

Members of the public attended the City Services Fee Question and Answer Town Hall with the Lebanon City Council. Interim City Manager Ron Whitlatch and Finance Director Brandon Neish presented a PowerPoint with information on the 5 year budget projections, methodology that was used to determine the City Services Fee, information on Measures 5 and 50 and how they affect the City, what the City has done to mitigate the budget gap, and what fees other local cities have in place. Approximately 12 citizens came forward with questions and concerns and staff and Council listened and answered each question.

A second Town Hall is scheduled for October 15, 2024 in the Lebanon Public Library from 6:30pm - 8:30pm.
