

In regards to the executive order to freeze federal grants, we are still operating all offices and services as usual.  
No walk-in appointments on Wednesdays or after 4pm.

# Utility Assistance

## WHAT WE DO

CSC provides utility assistance to help our neighbors with basic life essentials that everyone deserves. We partner with local utility providers to keep lights on and your home comfortable year-round!

Due to high volume, we will **not be making applications available in February**. Per usual, completed apps (including required docs) can be returned any time. Applications should be available again in March.
