Variances

- The applicant was granted a variance to Chapter 15 Zoning, Sec. 15.02.305 Regulations for all districts, which states:
 - “Every building hereafter erected shall be located on a lot as herein defined and in no case shall there be more than one main structure/building on a lot in the "R-1", "R-2" or "B-1" districts, or as otherwise provided herein, **and in no case shall any building be hereafter erected on more than one lot.**”
- The applicant will be constructing 7 duplexes on one lot
- All zoning requirements have been met

Fiscal Impact

- The approval of this zone change request will produce additional ad-valorem revenue on this property

Recommendation

- Staff recommends approval of the request for a 1-year extension
