

PZ-2024-2
Rezone - PDD
7201 & 7205 Huebner

Mindy Teague
Planning & Zoning Director
City Council Meeting
April 2, 2024

Purpose

- This is a request to rezone approximately 6 acres of land at 7201 and 7205 Huebner Road from R-1 Single Family Dwelling District to Planned Development District with R-6 Garden Home base zoning
- Property will have to be platted and conform to all stormwater regulations prior to being issued any building permits
- Developer will be requesting a variance to Chapter 13 Tree mitigation for on-site existing trees at a later date

Background

- Parcels were owned/occupied prior to the City being incorporated, as the Poss Family Homestead
- The owner of the adjacent 10-acre subdivision (former Poss Landing) is in the process of constructing PDD/R-6 based single family homes
- Ingress/egress requirements in the Fire Code required that the developer either provide secondary ingress/egress or fire sprinkle all homes in that development
- After investigating costs, developer decided to purchase adjacent lot & develop as Phase II (the original subdivision has since changed name to Senna Phase I)
- This not only provides the necessary second access point for the Senna I project, but will also provide the required ingress/egress to the subject property

Purpose

- The Master Plan, Huebner Road Corridor 5CC states:
 - The land use in this area encourages all the vacant areas located on the east side of Huebner Road across the school be zoned R-1, with R-3A and R-6 considered as alternatives
- The developer is requesting to match the first phase of the development with a lot size of 3,010 square feet, frontage of 35 ft, 16 ft front set back, 3 ft side set back & 10 ft rear set back
- Development will consist of a total of 49 lots with two trees per lot
- TIA indicates 49 peak hour trips
