Background

- The lots are not large enough to accommodate a duplex, but do fit in the R-1 Single Family Dwelling District
- Existing conditions:
 - Lot 19 has 81.24' of frontage along a public road, is 120' in depth, and has an area of 9,748.8 square feet
 - Lot 20 has 75' of frontage along a public road, is 120' in depth, and has an area of 9,000 square feet
- Per the Zoning Code:
 - R-2 Two Family Dwelling requires minimum frontage of 85' along a public road, a depth of 120', and a minimum area of 10,200 square feet
 - R-1 Single Family Dwelling requires minimum frontage of 70' along a public road, a depth of 120', and a minimum area of 8400 square feet

Master Plan

- Grass Valley area was annexed 1969 and platted during the late 1960's and early 1970's
- This area is substantially developed and contains paved streets,
- curbs, sidewalks, and street lighting
- Vacant areas are zoned R-1 Single Family (inaccurate)
- The land use for the Grass Valley Subdivision is an established neighborhood and should be maintained as a residential area
- (Single-Family) and R-2 (Two-Family) should be developed to maintain the existing neighborhood characteristics

Notification Process

- 12 Letters Sent
- 0 In Favor
- 0 In Opposition
- 0 Undeliverable

Fiscal Impact

- None

Recommendation

- At the March 28th 2023 Planning and Zoning Commission meeting, the Commissioners recommended approval of this request

S.E.E. Statement

Social Equity: Approval of this request allows for the single-family dwelling use, which is consistent and compatible with existing surrounding uses.

Economic Development: Rezoning will allow for the development of the vacant lot, which will increase ad valorem taxes

Environmental Stewardship: Any structures built on the vacant property must conform to the 2021 International Energy Code
