**DATE:** August 6, 2024

**TO:** Mayor and Council

**FROM:** David Dimaline, Public Works Assistant Director

**THROUGH:** Crystal Caldera, Ph.D., City Manager

**SUBJECT:** Consider Approval of a Resolution Rejecting a Bid Received for the CDBG East of Wurzbach Sewer Main Project from Allteam Solutions in the Amount of \$109,665.00 and Authorizing the City Manager to Re-advertise for Bids for the Project.

**SPONSOR(S):** N/A

### **Purpose**

The attached resolution approves the rejection of a bid received for the CDBG East of Wurzbach Sewer Main Project Allteam Solutions in the amount of \$109,665.00 and authorizing the City Manager to re-advertise for bids.

The City advertised bids for a total of 25 days. The project was advertised in the Express News for two consecutive Sundays. The construction plans and bid documents were posted on the City's website, Public Purchase, and Civcast. A pre-bid meeting was held on June 4, 2024. The Bexar County Economic & Community Development Department was notified that only one bid was received. HUD policy states that a minimum of three bids, or estimates are required, therefore they are asking the City to re-advertise for bids.

### **Fiscal Impact**

The City applied for and received CDBG funding for the project. This will be covered by the Sewer Utility budget.

### **Recommendation**

Staff recommends approval of the Resolution.
