

Consider Approval of a Resolution Sewer Main CCTV and Cleaning

City Council Meeting

David Dimaline

Assistant Public Works Director

August 1, 2023

Purpose

- To consider approval of a Resolution awarding a bid and authorizing the City Manager to enter into a contract with Cleanview Resources in the amount of \$1.48 per linear foot, not to exceed \$250,000, for the 2023 Sewer CCTV and Cleaning Project

Purpose

- The project involves conducting a comprehensive closed-circuit television (CCTV) inspection of the City's sewer main network
- Work also includes jetting & cleaning of the pipes to remove any blockages or debris prior to the CCTV
- A detailed report and video will be provided with the location and conditions of the sewer mains
- The City has a total of 237,282 linear feet (45 miles) of sanitary sewer mains within the system

Purpose

- The City budgeted \$250,000 to complete this work, and this will determine the amount of CCTV of the sewer mains based on the price per linear foot
- Based on the price per linear foot submitted by Cleanview Resources, approximately 168,919 linear feet (31 miles) of sewer mains may be included in the scope of work
- The project will assist in maintaining the City's sewer infrastructure and providing better sewer service for our businesses and residents

Purpose

- A total of five companies submitted bids for this project:

Name	Price Per Linear Foot
Cleanview Resources	\$ 1.48
National Works, Inc.	\$ 2.25
Pipe View America	\$ 2.63
T-Rex Services	\$ 3.25
Ace Pipe Cleaning	\$ 5.00

Fiscal Impact

- Project Cost \$1.48 per linear foot
- Sewer line item \$250,000

Recommendation

- Staff recommends approving a Resolution awarding a bid and authorizing the City Manager to enter into a contract with Cleanview Resources in the amount of \$1.48 per linear foot, not to exceed \$250,000
