#### PART 4 – NARRATIVE

<b>Introduction of Business / Business Model:</b>
The business model for SA City Barber Shop is to provide professional barber services to the local community in Leon Valley and area.

Chief Officers or Owners:	Title:	Phone number:
James Gutierrez Jr	owner	

<b>Reasons for Seeking Economic and Community Development Funds:</b>
Due to a profit decrease caused by COVID-19, business is seeking to move forward and requests assistance for modern upgrades as well as modern advertisement in an effort to increase clients/customers and revenue for the barber shop, a small locally owned business.

<b>State How the Project will Benefit the City of Leon Valley:</b>
This project benefits the city of Leon Valley in many ways such as hiring local barbers from the area and potential barbers from the local barber school located in the city, Gloria's Barber College. When potential employees are working in the shop, they in turn purchase products/supplies/tools/equipment/overhead, etc. that they utilize as a barber at any off the two local supply stores in Leon Valley. Barbers receive a discount at these locations with their barber license. In addition, employees can purchase food/beverages and gas in the area which generates sales tax and revenue for not only the city but local restaurants, convenient stores and gas stations. Typically, it's not ideal for barbers to travel far from the shop to avoid missing out on walk-in based clientele. These are a few ways the city will receive back funds for the grant and their investment in this project.

**Describe the Project:**

The project consists of electrical lighting and poles, modern design and signage installation, additional barber station including chair, mat and mirror as well as roller shade.

**Describe the types and numbers of jobs to be generated and provide information on current level of employment including: (a) current payroll; and (b) breakdown by zip code. Attach a copy of the businesses most recent filing with the Texas Workforce Commission or other supporting documentation that can be used to determine actual employment level at the time of application:**

The potential jobs that will be created are barbering service jobs, also at least 3 additional barber chairs for booth rental - barbers are considered independent contractors.

**List any other governmental assistance/incentives being requested or already approved for the project from sources other than the City of Leon Valley:**

SA City Barber Shop has recently applied for a grant opportunity for small businesses located in suburban areas in Bexar County, have not been approved.

**List any competition or similar businesses in the area:**

The local competition to name a few in Leon Valley are Fademasters, Razor Edge, Righteous Cuts, Halftime Cuts, etc.
