

Update on Bandera Road

January 28, 2023

Bandera Road

Last updated 11/10/22

- TxDOT is conducting a study to identify design concepts for SH 16 (Bandera Road) from I-410 to Loop 1604 within the cities of Leon Valley and San Antonio in Bexar County, Texas.
- The goals of the proposed concepts are to improve mobility, safety, and community connectivity while reducing congestion on the SH 16 (Bandera Road) corridor, and to accommodate multimodal transportation including bicyclists and pedestrians.
