Dear Sheriff McCallum:

The FDLE Commissioner's Office has approved your Justice Assistance Grant (JAG) residual funding request in the amount of \$223,000.00. This amount fully funds the project outlined in your request dated January 19, 2021; your request to purchase forty (40) in-car camera systems and one (1) automated license plate reader system is approved.

The award period for this grant is October 1, 2021 to September 30, 2022. Please be aware no extension of the grant period beyond September 30, 2022 is available.

To expedite the application process, the OCJG will compose the initial grant application. This will require input from the Project Director. As soon as possible, please provide us with the name, email address, and phone number of the person who will act as your project director for this grant. We will work with them to create and submit the application via the FDLE Subgrant Information Management Online (SIMON) grant management system.

Questions about the actual application process should be directed to our main line at (850) 617-1250. For assistance with the SIMON system, please contact Krista Sanders. She may be reached at (850) 617-1260.

We look forward to working with you.

Thank you,
