This is an issue that has recently come up and staff is aware of the history of these types of uses along with how they impact Law Enforcement. These have been and are still being regulated in this area. Marion County recently did a county-wide shut down (see attached). Staff has included for review attachments NGN has provided. One is a draft ordinance and the other is Marion County's regulations. Staff is looking for direction as to how to move forward 1.) prohibit the use in all districts or 2.) allow in specific zoning districts with strict regulations.
