Florida Department of Health in Levy County
Announces Drive-Thru COVID-19 Testing
No Appointment Needed

The Florida Department of Health in Levy County will conduct four drive-thru COVID-19 testing sites for Levy County residents 18 years and older

Thursday May 14th 2020 9am to 12pm Chiefland Elementary School Bus Loop	**Saturday May 16th 2020** 9am to 12pm Bronson Middle/High School Student Parking Area by the Gym
Friday May 15th 2020 9am to 12pm Williston Elementary School Bus Loop behind the School	**Monday May 18th 2020** 9am to 12pm Yankeetown School Schoolcraft Drive at 40/40a

Details and Instructions

- Testing will be free of charge. No appointment is required, and the testing is available to all residents 18 years or older
- Parents or guardians with children under 18 should contact their pediatrician or the Department of Health in Levy County for information about testing
- This IS NOT an antibody or rapid test
- Instructions for how you will receive your results will be provided at the testing sites
- You will be requested to stay in your vehicle during the testing process
- Please refrain from eating or drinking for approx. 1 hour before the test. If you must drink something, please only drink water
- No ID is required, but you will be required to provide your name, address, contact phone number, and brief medical history
- Signs will be posted to direct residents to the proper area
- Wait times will vary
- Testing dates are subject to change due to inclement weather
