9. **Background: (Why is the action necessary, and what action will be accomplished) (All supporting documentation must be attached if any)**

There has been an increase in potential accidents due to the vehicle congestion on CR 341 near CR 345. The congestion is caused by cars parking off-road on the side of CR 341 during Elementary School release of students at the end of each day. Action is required because there has been an increase in complaints about the congestion in this area. The City of Chiefland has stated that this is a county road, and the proper avenue would be to contact the County about this issue.
