

Levy County Board of County Commissioners Agenda Item Summary Form

1. **Name and Title:** Mary-Ellen Harper, County Manager
2. **Department:** Board of County Commissioners
3. **Meeting Date:** Tuesday, January 6, 2026
4. **Requested Action:**
Approve renovating the current Animal Services Facility at an estimated cost of \$110,000.
5. **Cost & Funding Source:**
If the Board approves this request, funding could be appropriated from Reserve for Contingencies and a budget amendment would be presented to the BoCC at the next meeting.

6. **Justification of Request:**
The front half of the Animal Services Office Building was partially renovated last year when it was determined that the walls and ceilings were infested with animal carcasses and feces. The remainder facility can be renovated for approximately \$110,000 and will adequately serve the community. Recent changes to the design of the new cell at the landfill have created a larger buffer between landfill operations and the kennels making this a more viable option than originally anticipated.
