The Honorable Jennifer Goff Daniels, Chair
North Florida Economic Development Partnership
3200 Commonwealth Boulevard, Suite 7
Tallahassee, FL 32303

Dear Honorable Ms. Daniels,

On behalf of the Levy County Board of County Commissioners, I would like to express my strong support for North Florida Economic Development Partnership and their application for the 2026 Regional Rural Development Grant (RRDG) to be submitted to FloridaCommerce.

As an active member of the NFEDP, Levy County has seen firsthand the tremendous value the partnership brings to our region through strategic collaboration, resource sharing, and development initiatives. The RRDG funding is critical to continue to expand these efforts, all of which are vital to long term prosperity of rural counties like Levy.

The NFEDP has consistently demonstrated effective stewardship of grant resources, and we are confident that, if awarded, the 2026 RRDG will be utilized to maximize regional impacts that will directly benefit Levy and neighboring communities.

We fully endorse the NFEDP's application, and will remain committed to supporting their goals and initiatives. Please do not hesitate to call us for any additional information or collaboration needed in support of this important endeavor.

Sincerely,

Mary-Ellen Harper
