Dear Mr. Paradise,

On behalf of the Levy County Board of County Commissioners, this letter is being sent in support of CareerSource Citrus, Levy, Marion's grant application titled "Skills-Based Learning-Levy County" for the ARPA Good Jobs Challenge to be submitted to the Economic Development Administration, U.S. Department of Commerce.

Levy County has been a partner with CareerSource Citrus, Levy, Marion (CLM) for many years and continues to support its successes through active participation. By obtaining the ARPA Good Jobs Challenge funding CLM will be able to develop, design, and implement training certification and credentialing programs to meet the needs of small and medium-sized employers in Levy County.

Thank you for taking the time to consider our support for CLM's grant application. Please do not hesitate to contact my office, should you have any questions or if we might be able to offer additional support during your review process.

Best regards,

John Meeks, Chairman
Levy County Board of County Commissioners
