Requesting permission from the Board of County Commissioners for approval of Mr. and Mrs. Blaho requested to divide their property using the exemption from platting contained in Sec. 50-496 titled "Lineal heir homestead density exemption" of the County Code. As part of that process, staff determined that a 10-foot wide strip of the property was needed for additional right-of-way for that we needed the extra 10' to meet our Section Line Dedication Requirements. The Blaho's have now executed a deed to convey the additional right-of-way to the County.
