Mr. John Meeks, Chair
Levy County Board of County Commissioners
Post Office Box 310
Bronson, Florida 32621

Dear Chairman Meeks:

The Levy County Health Department is again requesting \$165,500 for contract year 2021-2022.

In the past year, we have received supplemental federal funding to support our response to the COVID-19 pandemic, thus allowing us to continue providing essential county health department services while also administering vaccinations in a variety of settings. In the past four months, I am proud to share that our team, with the support of Levy County Emergency Management and the Board of County Commissioners, provided in excess of 10,000 COVID-19 vaccinations in Levy County.

We have appreciated the Board's support throughout this past year, and particularly in the last several months, and we look very forward to the year ahead.

Thank you very much.

Yours sincerely,
