Dear Mr. Blanton:

Please accept this letter and the attached report as Meridian's request for FY2022 funding. As you know, Meridian seeks local matching funds from the counties we serve so that we can meet our requirement to generate local match for State and Federal funds. Those funds support services to those who cannot otherwise afford them.

We are requesting – and believe the data supports – for an increase in funding to go to Meridian's required local match. The details of our funding and our FY2022 requests are within the presentation.

We look forward to presenting our report at a regularly scheduled commission meeting, and are happy to answer any questions in the meantime.

Sincerely,

Donald P. Savoie  
President/CEO
