The enactment of the Live Local Act has resulted in various actions and requirements for stakeholders. Once such requirement is that all local governments have until October 1, 2023 to identify publicly owned lands that are appropriate for use as affordable housing on an inventory list, and post this list on their website. County staff (Planning, Legal, SHIP and Board Administration) has reviewed all lands owned by the Levy County BOCC. The review involved assessing the parcels in terms of size, location, zoning, existing and future use. At the conclusion of the review no parcels were identified as currently being suitable for affordable housing.
