Florida Federal NG911 Grant Agreement Summary

Background

In September of 2019, the State of Florida received notification that its Federal Grant Application for an NG911 Grant administered by the National Telecommunications Industry Association and Federal Department of Transportation was approved. This grant award in the amount of \$6,314,348.00, requires the State of Florida and subsequent county and tribal recipients of these funds to comply with certain rules and requirements established by the awarding agencies.

The State of Florida, Department of Management Services is the designated grant manager for this federal grant award. One of the requirements that this grant stipulates includes the necessity of the state to provide 40% matching funds as part of the grant program. The state and the E911 Board have agreed to utilize E911 Trust Fund monies and established state grant awards provided by the E911 Board to meet this matching funds requirement.

Additional terms and conditions required by the federal grant are included in the grant agreement document, which needs to be signed by an authorized official of the sub-recipient (generally a county or tribal organization).

Overview of Grant Requirements

If an E911 Board grant award will be utilized to comply with the Federal Grant (either federal funds or matching state funds), the sub-recipient will receive such notification in the award letter.

The agreement document outlines all necessary components of compliance with the Federal NG911 Grant program, and we have incorporated existing state grant requirements that have been in effect, but, that we have not previously required in a signed agreement with sub-recipients.

It is the Department's intent that these grant agreements not impose any unnecessary obligations on the counties and tribal organizations, rather the agreements will memorialize in writing existing processes and procedures for reimbursement while ensuring compliance with all applicable state and the new Federal NG911 Grant rules and laws.

Since we have a short window for the expenditure of the NG911 Grant program funds, it is important to execute the grant award agreement document as soon as possible. These identified NG911 projects must be completed by March 31, 2022.

If you have any questions regarding the grant agreement, please contact the Florida State E-911 Coordinator, Leon Simmonds, at leon.simmonds@dms.myflorida.com or (850) 921-0041.

The Grantee must also ensure that any contractors and subcontractors that perform work pursuant to this Agreement comply with the requirements of Chapter 119, F.S., as applicable.

9. LIABILITY

- 9.1. The Grantee is solely responsible to parties it deals with in carrying out the terms of this Agreement and, subject to the limitation of section 768.28, F.S., the Grantee shall hold the Department harmless against all claims of whatever nature by third parties arising from performance under this Agreement.

9.2. The Grantee, a subdivision as defined in section 768.28, F.S., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Department and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, F.S. Nothing in this Agreement is intended to serve as a waiver of sovereign immunity by the Grantee. Nothing in this Agreement may be construed as consent by a State agency or subdivision of the State to be sued by third parties in any matter arising out of any contract.

10. EVENTS OF DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the E911 Board to make any further payment of funds shall, if the Department elects, terminate and the Department has the option to exercise any of its remedies set forth herein. However, the Department may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies and without becoming liable to make any further payment. The Events of Default are:

- 10.1. If any warranty or representation made by the Grantee in this Agreement or any previous agreement with the Department is or becomes false or misleading in any respect;
- 10.2. If the Grantee fails to keep or timely perform any of the obligations, terms, or covenants in this Agreement or any previous agreement with the Department and has not cured them in timely fashion;
- 10.3. If the Grantee or is unable or unwilling to meet its obligations under this Agreement;

11. REMEDIES

If an Event of Default occurs, then the Department shall provide a written notice to the Grantee, and, upon the Grantee's failure to cure the default within the thirty (30) calendar days, the Department may exercise any one (1) or more of the following remedies, either concurrently or consecutively:

- 11.1. terminate this Agreement in accordance with Section 12, Termination, below;
- 11.2. withhold or suspend payment of all or any part of a request for payment;
- 11.3. exercise any corrective or remedial actions, including but not limited to:
 - 11.3.1. request additional information from the Grantee to determine the reasons for or the extent of non-compliance or lack of performance;
 - 11.3.2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected; or
 - 11.3.3. advise the Grantee to suspend, discontinue, or refrain from incurring costs for any activities in question.

Pursuing any of the above remedies will not preclude the Department from pursuing any other remedies available under this Agreement or at law or in equity. If the Department waives any right or remedy in this Agreement or fails to insist on strict performance by the Grantee, it does not affect, extend, or waive any other right or remedy of the Department, or affect the later exercise of the same right or remedy by the Department for any other default by the Grantee.

12. TERMINATION

- 12.1. **Termination Due to the Lack of Funds.** If funds become unavailable for the Agreement's purpose, such event will not constitute a default by the Department or the State. The Department agrees to notify the Grantee in writing at the earliest possible time if funds are no longer available. In the event that any funding identified by the Grantee as funds to be provided for completion of the project as described herein becomes unavailable, including if any State funds upon which this Agreement depends are withdrawn or redirected, the Department may terminate this Agreement by providing written notice to the Grantee. The Department will be the final authority as to the availability of funds.
- 12.2. **Termination for Cause.** The Department may terminate this Agreement for cause after ten (10) days of a written notice, which will be issued after the 30-day cure period ends. Cause includes, but is not limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, and regulations, failure to perform on time, or refusal to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, F.S., unless exempt from Section 24(a) of Article I of the State Constitution and section 119.07(1), F.S., or applicable state or federal law, which the Grantee created or received under this Agreement.
- 12.3. **Termination for Convenience.** The Department may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds by providing the Grantee with thirty (30) calendar days' prior written notice.
- 12.4. **Mutual Termination.** The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.
- 12.5. **Grantee Responsibilities upon Termination.** Upon notice of termination, the Grantee shall:
 - 12.5.1. not incur new obligations for the terminated portion of the Agreement; and
 - 12.5.2. cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice are disallowed. The Grantee shall not be relieved of liability to the Department because of any breach of this Agreement by the Grantee. The Department may, to the extent authorized by law, withhold payments to the Grantee for the purpose of set-off until the exact amount of damages due to the Department from the Grantee is determined.

13. RESULTING THIRD PARTY CONTRACTS AND SUBCONTRACTS

- 13.1 The Grantee may contract with third parties to perform work. The Grantee remains fully responsible for satisfactory completion of any and all work performed by any contractors and subcontractors.
- 13.2 With the Grantee's approval, the Grantee's contractor may subcontract work performed, and the Grantee's contractor will be fully responsible for satisfactory completion of all subcontracted work.
- 13.3 The Grantee agrees all Grantee contracts or subcontracts entered into pursuant to this Agreement for which the State Legislature is in any part a funding source shall contain language requiring the contractor(s) or subcontractor(s) who are paid from funds provided under this Agreement (i) be bound by the terms of this Agreement; (ii) be bound by all applicable state and federal laws and regulations; and (iii) hold the Department and Grantee harmless against all claims of whatever nature arising out of the performance of work under this Agreement to the extent allowed and required by law.

14. MANDATED CONDITIONS

- 14.1. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County.

- 14.2. If any provision of this Agreement is in conflict with any applicable statute or rule or is unenforceable, then the provision shall be null and void to the extent of the conflict and shall be severable but shall not invalidate any other provision of this Agreement.
- 14.3. In accordance with Executive Order 11-116, the Grantee is required to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Agreement for the services specified in the Agreement. The Grantee must also include a requirement in contracts that the contractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Agreement term. If the Grantee is not enrolled in DHS E-Verify System, it will do so within five (5) days of notice of the Agreement execution. The link to E-Verify is <http://www.uscis.gov/e-verify>.
- 14.4. In accordance with section 11.062 and 216.345, F.S., funds received under this Agreement are not to be used for the purpose of lobbying or used to directly or indirectly influence legislation or any other official action by the Florida Legislature, the judicial branch, or any state agency.

The Grantee shall also submit invoices in sufficient detail to fulfill all applicable requirements of the State of Florida Reference Guide for State Expenditures.
- 15.4. **Intellectual Property.** Where activities supported by this Agreement result in the creation of intellectual property rights, the Grantee shall notify the Department, and the Department will determine whether the Grantee will be required to grant the Department a perpetual, irrevocable, royalty-free, nonexclusive license to use, and to authorize others to use for State government purposes, any resulting patented, copyrighted, or trademarked work products developed under this Agreement. The Department will also determine whether the Grantee will be required to pay all or a portion of any royalties resulting from such patents, copyrights, or trademarks.

AUDIT REQUIREMENTS
FOR AWARDS OF STATE AND FEDERAL
FINANCIAL ASSISTANCE

The administration of resources awarded by the Department of Management Services (Department) to the Grantee may be subject to audits and/or monitoring by the Department, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the Grantee agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Grantee is appropriate, the Grantee agrees to comply with any additional instructions provided by Department staff to the Grantee regarding such audit. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the Grantee is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A grantee that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through the Department by this agreement. In determining the federal awards expended in its fiscal year, the Grantee shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Grantee conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A grantee that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Grantee expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than federal entities).

Part II: State Funded

In the event that the Grantee expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Grantee (for fiscal years ending June 30,

2017, or thereafter), the Grantee must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department by this agreement. In determining the state financial assistance expended in its fiscal year, the Grantee shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

1. For the audit requirements addressed in Part II, paragraph 1, the Grantee shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
2. If the Grantee expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, or thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the Grantee expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Grantee's resources obtained from other than state entities).
