Notes:

- The Annual Subscription Cost is based upon the estimated $4.5M of disclosed Annual Grant Revenue (AGR) and 40 grant programs managed.
- Pricing includes **unlimited user licenses** and **unlimited document storage space** to gain access into the AmpliFund platform.
- The Annual Subscription Cost must be paid in whole upfront, annually.
- A 10% discount to the Annual Subscription Fee can be provided for a 3-year term commitment and a 15% discount can be provided for a 5-year term commitment.
- The One-time Setup Fee is an estimation based upon standard implementation efforts for delivering the AmpliFund Grant Seeker platform leveraging our Comprehensive implementation package which includes 80 service hours.
- Additional service hours can be purchased at any time for an hourly rate of $175.
- Hosting will be provided in the AmpliFund Azure multi-tenant cloud environment.
- AmpliFund will provide our data migration templates and support to the organization to migrate any existing and/or historical grant data into AmpliFund. The AmpliFund Team will import data using import templates.
- An import/export integration using a flat file transfer of data between AmpliFund, and your existing financial system is included. An automated integration can be added-on for an additional cost. An integration access fee and support for the integration would be required to support the setup of the automated integration using API endpoints. Estimated pricing is provided.
