9. **Background: (Why is the action necessary, and what action will be accomplished) (All supporting documentation must be attached if any)**

The three vehicles to be transferred are rarely used, as shown in the resolution. The date of acquisition in comparison to the current mileages are very low. These vehicles were purchased when the agency had more drivers, trips and prior to COVID. There is a need in Lee County for these three vehicles and it only makes sense to transfer to an agency in need. FTA and FDOT had to approve this transfer prior to presenting this resolution for the transfer.
