Subject: Inglis Grant Agreement - DEO

Good Morning,

After the BOCC meeting this morning, Cristin from DEO spoke with me regarding the process to amend the dates in the Grant Agreement. She has suggested the easiest and fastest way to do this would be to approve the current agreement (already reviewed by Ms. Nicolle) and then amend the agreement to reflect the following dates:

Task A – Due 5/19/2023
Task B – Due 6/30/2023
Task C – Due 7/14/2023
Task D – Due 8/15/2023

If Wright-Pierce can do those dates then it might work. The only issue I see would be is how fast Wright-Pierce can invoice the County, especially on the last deliverable date? All invoicing for this project would need to be turned into DEO by 8/30/2023 in order for them to process our reimbursement. We have 60 days after the 6/30/2023 date for final invoicing which is how the agreement would be technically “extended”. Another issue that may arise is how fast can we get copies of cleared checks?

Please let me know how you want me to proceed, so I can let DEO know.

Thank you,
