Critical Repair Program - Levy County

New applications or referrals	7
Applications reviewed and approved	7
Initial home visits completed	7
Repair projects in progress	2
Projects completed	3
Project goal EOY 2024	5

Critical Repairs include:

Roofing

Plumbing

Electrical Repairs

Structural Repairs

Foundation and Subfloor Repairs

Heating/AC Repairs

Anything that affects the health or
safety of the resident!

Leveraged Repairs

Brought over \$48,000 (to date) in additional funds to Levy County through partnership with USDA, and Corporate involvement from Evolve Vacation Rental.

These pilots are the shape we hope to emulate with future Levy County Services.

Next Steps

What do future Levy
County Rebuild
efforts look like?
