

# Agenda

**Public Workshop 1 focuses on establishing a vision and identifying key issues. “Topic 1 – Vision & Strategic Initiatives” to identify opportunities and challenges.**

**Tuesday, November 4, 2025**

 **1:00 PM – 3:00 PM**

## **Welcome & Opening Remarks**

- Facilitated by Christopher Brimo, AICP, Infrastructure Consulting & Engineering (ICE)
- Overview of the Comprehensive Plan update
- Workshop goals and community participation process

## **Setting the Stage**

- Where we are today: Growth trends, assets, and challenges
- What is a “vision” and why does it matter
- Draft vision statements and strategic focus areas

## **Live Polling & Community Input**

- Interactive real-time voting using Mentimeter
- Community values, priorities, and key concerns
- Word cloud and multiple-choice engagement

## **Opportunities & Challenges**

- What do you want Levy County to be like in 2050?
- Group discussion of draft vision ideas and key issues
- Identify priorities for housing, economic opportunity, rural protection, and resilience

## **Key Takeaways**

- Common themes and big ideas
- What comes next in the planning process

**This is your plan. Your voice matters.**

Levy County is updating its Comprehensive Plan for 2050—and we need your input to shape the vision for growth, conservation, housing, and quality of life.
