Lake City, FL 32025

**RE: FDOT and Levy County Partnership**

Mr. Tyler:

Levy County supports FDOT's efforts to modify the intersection of US 19 at NW 140th St from a full median opening to a directional median opening in order to improve the safety at this intersection. We furthermore support the use of the County Incentive Growth Program (CIGP) as needed for these efforts.

Thank you,

Tim Hodge, Chair  
Levy County Board of County Commissioners  
310 School Street  
Bronson, FL 32621
