DATE: August 5, 2026

RE: Courthouse Security Camera Project

Please consider this memorandum as authorization to expend funds from the Innovative Court Fund for the replacement and enhancement of the security camera system at the Levy County Courthouse. The estimated cost of this project is \$76,720.80.

This project is of significant importance to the Court, as it will enhance the safety and security of the public, court staff, judicial officers, and all others who conduct business at the courthouse. I appreciate the efforts of everyone involved in making this important project possible and their continued commitment to maintaining a safe and secure courthouse environment.
