Dear Levy County Board of County Commissioners,

I hope this letter finds you well. I am writing to express the recommendations of the Marion County Board of County Commissioners regarding the proposed zoning change in the Rainbow Lakes Estates Municipal Service District.

On behalf of the Marion County Board of County Commissioners, we support the residents on the Levy County side of the district in their position to not move forward with the change that would allow mobile homes within the district. We believe that such a change would have a negative impact on the community and detract from the character of the area.

We encourage the Levy County Board of County Commissioners to carefully consider the concerns of the residents and make a decision that is in the best interest of the community as a whole. We believe that preserving the integrity of the Rainbow Lakes Estates Municipal Service District is important for both the residents and the surrounding area.

Thank you for your time and consideration. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

  
Craig Curry  
Chairman
