SERVICES WE PROVIDE TO LEVY COUNTY RESIDENTS

July 2022 through
April 2023

Payers

Meridian accepts a wide range of payers, ensuring that local, public funds are the payer of last resort

Poverty

The majority of those we see (88% for Levy County) are at or below federal poverty guidelines; and 0.9% of those seen were ineligible for any subsidy to address the cost of their care.

Indigent Care

Indigent Care is funded through the Medicaid, state DCF, and local matching funds.

- 32% of the services provided thus far in FY 2023 (July 1, 2022 - April 30, 2023) have been paid for with indigent care funding from the state and county.
- 50% have been covered by Medicaid.
- 22% have some form of insurance, but that insurance only covers 12% of the services these individuals need and receive.

Funding Requirement

Meridian is required to generate local matching funds for some of our state and federal funds. Our expected FYE 2024 local match requirement is \$ 1,925,248.

We are requesting a 2.1% increase, to account for increased demand for services in the County, which now accounts for 7.92% of services in the core service area, and includes the addition of Mobile Response Teams (MRT) and Community Action Teams (CAT). This increase moves closer to the total match required, bringing the County contract with Meridian to \$ 91,932.
