   FDOT has requested that Levy County convey its ownership interest in Borrow Pit No. 3 (Parcels 187 and 188 Part), which was jointly acquired by FDOT and Levy County in connection with a State road project in the 1960s. County staff has determined the property is not needed for current or future County purposes. As part of the proposed transaction, FDOT will convey Parcel 188 (Part), containing the roadway/haul route portion, to Levy County.

   On October 20, 2026, the Board directed staff to proceed with the surplus and conveyance process for Borrow Pit No. 3 (Parcels 187 and 188 Part) in coordination with FDOT. The resolutions and conveyance documents have since been finalized. Staff is requesting approval of the surplus and disposition resolution and authorization for the Chair to execute the associated conveyance documents.
